

May Third Thursday – May 15th

Join us for our recurring Third Thursday social event this month at Old Chicago at Merle Hay Mall. Appetizers compliments of the Central Iowa YMG. We will be meeting around 5:30 p.m. Look for the Central Iowa YMG table tent in the bar area of the restaurant.

Project Showcase Wrap - up

The Central Iowa YMG held its first “Project Showcase” on Friday, May 2nd over the lunch hour at the Urbandale Public Library. Fellow Younger Members highlighted some of the great work happening within our community and surrounding area. A total of five presenters each gave a short presentation on a current or recent project they had been personally involved with, either in during design, construction, or both. The presenters and their projects are listed below. Check the YMG website for photos of the event.

A big thanks to all our speakers and those who attended. If you are interested in being a presenter at a future Project Showcase, please send Mike Roth an email at mroth@hrgreen.com .
