

## 2007 Concrete Canoe Competition!

This Saturday, April 28<sup>th</sup>, Iowa State University is hosting the 2007 Concrete Canoe Competition. To show our support for this years competitors, we'll be attending the canoe races held at Little Wall Lake, and maybe lend a hand if the ISU Student Chapter needs assistance.

We are planning on meeting at Burger King in Ankeny at 11:15 a.m. BK is located on the corner of Oralabor and Delaware (adjacent to Menards). Take the Oralabor exit and go West...shouldn't miss it. From there we will have an opportunity to grab a quick bite to eat and then for those that are interested, we can carpool and/or caravan to Little Wall Lake. We plan on arriving at LWL at 12:30. Races begin at 1:00 p.m. with awards being ~ 4:30 p.m. An R.S.V.P. is not necessary, but feel free to e-mail Ben Cole ([bcole@calhounburns.com](mailto:bcole@calhounburns.com)) if you know you will be attending. If you have questions or need directions on Saturday, please call Ben at 515-238-4957.

For those that would like to meet us at LWL, directions are below. We will plan on bringing a cooler with a few refreshments, but please bring your own if you would like something special. Also, bring a blanket or camping chair if you want a place to sit. So far the weather looks good, but keep an eye on it and dress accordingly.

This is open to the public (and free!) and might be a nice time to bring family or friends to show them that concrete actually floats! For those that may want to listen to the oral presentations, please visit ISU Student Chapter's website for a full listing of times, locations, and maps. Their website is...<http://www.stuorg.iastate.edu/asce/concretecanoe.htm>

### DIRECTIONS:

To LWL...take I-35 North. Take exit #128 (Randall) to the West. This will run into Hwy. 69. Take Hwy. 69 to the North. After a few miles, Little Wall Lake will be on the right hand side (East). I'm not sure were the races will be held exactly, but it should hopefully be pretty obvious.
